CASE STUDY

Refinance of a large Buy-to-let portfolio

Amount: **£2.6M**

Loans Arena helped a client refinance part of their property portfolio which consisted of 19 investment properties.

We guided them through the entire process with a bespoke lender at a competitive interest rate taking out all of the stress of providing detailed paperwork for each property. We completed the deal and made sure that the client was able to build a new banking relationship going forward, as the client is an experienced property professional & always purchases property.

Very happy to have used Loans Arena for the refinance of my property investment portfolio. They were able to arrange one re-mortgage loan for all my properties at a competitive rate. Will certainly be using them again for future purchases.

CASE STUDY

Overseas client needed a large commercial mortgage for a new asset

Amount: **£5M**

The UK lockdown made it increasingly difficult to refinance the four office buildings that our overseas client needed to mortgage, particularly when the client resides abroad and was unable to travel. The valuation report came back lower than expected, so we then had to negotiate a middle ground that worked for both the lender and the client.

Thanks to Loans Arena we were able to purchase the business premises we have been trading in for over 20 years. They were able to overcome many hurdles which restricted me from obtaining a commercial mortgage and even helped me structure my current business in order make it easier to obtain lending. Loans Arena provided a solution when others couldn't help me. Thank you.

*I recently worked with Sunny Bassi for my mortgage loan. He was recommended to me by a friend who he helped with the purchase of their home. From the beginning he has shown professionalism in handling my mortgage application. He was straight forward and very helpful in explaining the process from start to finish. We hit a few snags in the process with the lender but in the end I was able to get my dream home. I could not have done this without him. I highly recommend Loans Arena to my friends.
Thank you!*

*Loans Arena was very helpful and efficient in arranging my first mortgage. I was concerned about getting a mortgage being a doctor in a job which I had only been in for 1 week. I found the process quick & hassle free during the Covid 19 lockdown period.
Thank you so much.*
